April 1 - EASTER - Christ Has Risen!

Theme: Easter Traditions

Pastor Bruce will explore with the class insights about how various cultural traditions became included in the Christian holiday celebrating Jesus' resurrection. How did Easter bunnies, Easter eggs, and other similar traditions become part of our American Easter celebration?

April 8

Theme: God at Work Nearby

Jesse and Charity Stowell will share their ministries nearby. Jesse is the IntersVarsity campus leader at Penn State Harrisburg. He will share highlights of what God is doing among the students on campus. Charity is involved in a ministry to refugees and immigrants. She will share how God is using Christian volunteers to bless those new to our area. There will be plenty of time for Q and A.

Theme: Stewardship of Planet Earth

April 15 - A Theological Perspective

will be presented by **Phil Susemihl**

April 22 - A Farmer's Perspective

Mike Youse from the Wittel Farm Growing Project in Lancaster County will speak. The growing project is dedicated to growing fresh vegetables to help feed hungry people in Lancaster County and throughout south-central Pennsylvania.

April 29 - A Scientist's Perspective

Drs. Susannah Gal and Jennifer Sliko from Penn State Harrisburg will discuss the biological and geological impact of changes due to human intervention on our planet. They will provide insights on the ways scientists evaluate these changes and discuss insights from their own work and experiences.

Please join us as we study the Bible and reflect on how the scriptures can inform and inspire us to "walk the talk" in our daily lives and to be responsible and faithful Christians as we confront the critical issues of our time.
